Dear Resident,

In response to residents and Ward Councillors concerns and as part of the council's commitment to improving safety and traffic flow on the boroughs roads, we are proposing to introduce footway parking bays on both sides Edgwarebury Lane between Blackwell Gardens and A41 Edgware Way, Edgware. As a result of these measures vehicles will only be permitted to park with 4 wheels on the footway within the marked footway parking bays. It is considered that these measures would help improve traffic flow and reduce obstruction.

The footway parking proposal is illustrated on the enclosed drawing no **BC/000681-72**.

If you wish to make any comments in relation to this proposal please send them in writing, quoting reference number **BC/000681-72** to the Design Team at the postal or email address at the top of the page by **21 February 2019**.

Yours faithfully,

Design Team  
Traffic and Development Department
